Riverbend United Church Community

Our Church family: Peggy Robinson is an active member of the church whose husband unexpectedly died recently, and then shortly thereafter she fractured a leg and has limited mobility. That is a lot to deal with in a short time—if you feel you could help with a meal or with watering please call the office at 780.430.7275 to sign up or click on [this link](#) to use Google Docs to sign up. Thank you.

Put some AWE in your summer! Awesome Wednesday evenings are back! The Spiritual Formation Committee is looking for hosts to plan a fun evening for all ages. Last year's activities included a photo scavenger hunt, a games night, a drama night and a campfire evening. The possibilities are endless! If you are interested, please contact Joanne Little at 780.438.0330 or email her at littlejl@telus.net.

Summer Camp: Discover Coding Zone is offering summer computer coding camps for ages 5 to 14. Some of these camps are being offered at Riverbend United Church. Please check: www.discovercodingzone.com for more information.

Leftover coolers! There are a few coolers leftover from previous Riverbend United events — please stop by the Church and pick them up if you wish to have them back, otherwise they will be added to the fall garage sale.

RUC Garage sale: Our annual tradition of a September garage sale continues!! Please consider donating your excess or unused household items to Riverbend United Church's garage sale being held on Friday and Saturday, **September 7th and 8th**. If you aren't able to drop off your items, a volunteer has offered to pick them up beginning July 2nd. Please call the office at 780.430.7275 to schedule pick-up.

RUC Fibre Crafters Following our great success in establishing a Prayer Blanket/Shawl Ministry, the knitters and crocheters of Riverbend United Church have a new project planned! **November 11, 2018** will mark the 100th anniversary of the end of The Great War; also known as The War to End All Wars. Sadly, we all know that great event did not end all wars, but we commemorate the hope for World Peace that the date signifies. Marking this, our needle workers will produce as many knitted and crocheted red poppies as we can manage. The exact format of our 'yarn bombing' is yet to be decided, but we will decorate our church with masses of handcrafted poppies for Sunday, November 11. If you knit or crochet, please consider contributing to our effort. Patterns will be available in the narthex, or you can create your own or find ones you like on the internet or other sources. Poppies should be red with black

centres, and any size from 3-5" or so. You will also soon find a collection box in the narthex for your donations ... and if you have any great ideas for presentation of our display, please talk to Carolyn Miller, or join us in the Chapel on Tuesday and Thursday afternoons (1:30-3:30 pm) where we gather to knit, crochet, or work on any other crafting projects we have on hand. Quiet meditation or group discussion are part of our gatherings as well.

Our Broader Community

Hamburgers, hot dogs and much, much more will be served. Bring friends and families and meet new friends!
